

FERRET PLUS[®]

Multipurpose Wireless Inspection Camera & Cable Pulling Tool

MODEL #
CF-300

NEW
PRODUCT

The Ferret Plus, designed and engineered by Ferret Tools, brings you the ultimate innovation in inspection technology. Includes built-in (on board) memory and the first ever non-contact voltage detector that is not handheld to help detect live cables from a greater reach than ever before. Perfect for someone who loves having the latest technology to work easier, faster & safer. Suitable for electricians, plumbers, builders, HVAC, lighting installers + more.

KEY FEATURES:

- **Built-in WiFi hotspot, wireless & rechargeable** - Provides a high-resolution live stream with a wireless range of up to 50' (15m)
- **Built-in rechargeable battery**
- **IP67 dustproof & waterproof**
- **Free & easy to use App** - Easy to use, intuitive Free Ferret App allows control over the camera
- **720p HD streaming** - Crisp clear images with 720p high resolution provides real time photos & video directly to a smart device
- **Adjustable bright white LEDs** - Easily glides into confined dark crawl spaces. Bright white LEDs helps investigate, locate, diagnose & fix problems
- **Digital zoom function** - View objects closer with the Ferret App digital zoom
- **NEW Built-in (on board) memory** - 8GB memory on-board, to provide many hours of recording even when out of WiFi range
- **NEW Non-contact voltage detector** - The world's first non-contact voltage detector that's not limited by the reach of your arm
- **NEW App controlled variable focus** - Focus down as close as 2.5" (6cm) to see fine detail. Focus out to infinity for extra clarity
- **NEW Super fast charge** - Charge Ferret from flat to 95% charged in only 1 hour
- **NEW Ferret always up viewing mode** - In the App setting screen select to have the image view either normal mode or always up mode
